At Home After Thirty-Three Years. Machins (Me.) Union.]

Levi Farnsworth, of Jonesbore, who left Machias Nov. 4, 1849, in the brig Agate, for the Pacific coast, arrived home Jan. 9, after an absence of 33 years. He stopped at the home of his son, Mr. J. E. Farnsworth, where his wife and children assembled in less than two hours after his arrival, one daughter, Mrs. Mary A., wife of Jason C. Drisko, absent on account of sickness. There were twenty friends at tea-his Mrs. Farnsworth, and they had a very pleasant meeting. The old gentleman said, "this is the happiest hour of my life." BEANDON, MISS.

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the lodide of potash and iron, all powerful blood-making, blood-cleansing, and life-susthe iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgin, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates and entivens the vital functions, promotes energy and strength, restocas and preserves health, and infuses new life and vigor throughout the whole system. No sufferer fram any disease which arises from impurity of the blood need despair who will give Aven's Sarsaramilla a fair trial.

It is folly to experiment with the numerous low-priced mixtures of clean routering.

It is folly to experiment with the numerous low-priced mixtures, of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. Aver's Sarsaparilla is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited.
